## Full Stack Web Developer

---

### Summary

---

Talented Web developer with outstanding production experience of 3 years in web application development and experienced with all stages of the development cycle for dynamic web projects.

---

### OBJECTIVE

---

An opportunity to work and upgrade oneself, as well as being involved in an organization that believes in gaining a competitive edge and giving back to the community.

I hope to further improve my skills in web development and my knowledge of the Web, and become an honest asset to the business. As an individual, I am naturally passionate and a forward thinker, which others may find inspiring when working as a team.

---
